

As outlined in WSWBC Values, the association values the principles of fair play and specifically details a number of them in our values statements. We also believe that integrity, fairness and respect are integral components of fair play. A complete list of the principles of fair play, as adopted by WSWBC, are detailed below.

Principles Of Fair Play

- Respect the rules.
- Respect the officials and their decisions.
- Respect your fellow competitors.
- Give everyone an equal chance to participate.
- Maintain your self-control at all times.

In defining respect for the rules we believe that respect applies to the spirit, as well as the letter of the rules, in our sport and in these principles. We further believe that we must promote the principles of fair play to our members on an ongoing basis through our actions, policies and our newsletter.
